Jumbo Salad Spinners

Simply empty wet salad leaves into the inner container, replace lid and turn the handle to give crisp, dry leaves which last longer and prevent dressings sliding off. Robust ergonomic handles and strong gear systems make spinning salads effortlessly easy.

- 10Ltr to 20Ltr Capacity
- Strong Gear System
- Dry Salad Leaves Last Longer

Stabilising base (sold separately) ensures spinner stays still during vigorous spinning.

★ Lifetime Edge Chip Warranty

New Options

With its unique, uneven edges and a reactive glaze that means no two pieces ever look the same, Chia is the perfect choice for those looking to serve with an artisan charm. In subtle muted tones, each piece adds a gorgeous minimalist edge to your tables. The white rim adds extra depth, framing dishes beautifully by drawing out the colours in fresh, vibrant ingredients.

Canvas

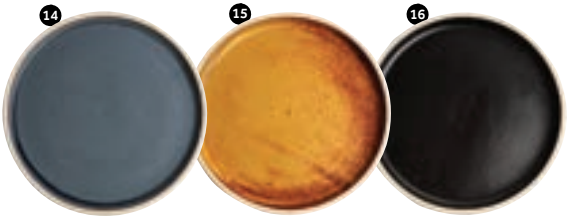

OLYMPIA CANVAS

You don't just cook food. You create art. Art that inspires through looks just as much as taste. And all great art starts with the same thing: the right canvas. Blending cutting edge shapes and bold colours with one-off finishes, Canvas is the blank page where your next masterpiece begins.

How to set up a Colour-Coded System

Colour-coding your cleaning equipment is a simple way to prevent harmful bacteria being transferred around your workplace and minimise the risk of infection. Every business can decide on their own colour-coded system. Here is the most commonly used rule for assigning colours.

Kitchen & Food Preparation	Washrooms & Toilets	Restaurant & Bar	Public Areas

Blue Non-Woven Cloth Sheets

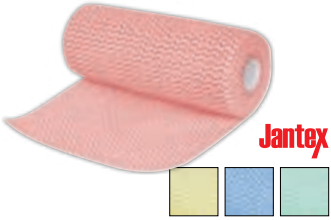

All-purpose non-woven cloths with excellent wiping capabilities. Each cloth measures 250 x 250mm. 300 sheets per roll.

Ref	Desc	Price
FB968	Blue	**£10.29** (£12.35)

Non-Woven Cleaning Cloths

Premium quality. Colour-coded to avoid cross-contamination. Each cloth is 230 x 430mm.

Ref	Desc	Qty	Price
CS808	Yellow	100	**£9.19** (£11.03)
CS805	Red	100	**£9.19** (£11.03)

POLAR U-Series Chilled & Frozen Cold Rooms

Simplify your refrigeration system with these great-value walk-in cold rooms. Each unit can be divided into separate sections for different food groups, allowing you to easily find the ingredients you need when you need them. Also perfect for storing less frequently used ingredients, freeing up your in-demand kitchen chillers. Quiet 43dB operation also makes them ideal for any kitchen, whether customer facing or not. Operate in a maximum ambient temperature of 43°C, so they offer year-round reliability, even in the hottest summers.

How to Order
Cold rooms are available as chillers or freezers. For chillers, choose codes ending in –C. For freezers, choose codes ending in –F.

Once you've chosen the size of your cold room, select the colour by adding the relevant two letters listed below to your product code. E.g. For brown 1500(W) x 1800(D)mm freezer use DS482-FBN.
